

No.	Indicator Name	Age Group	Scale	Period	Source	Description	
People & Place	1	Population density	All ages	Per hectare	2017	2017 Mid-Year Estimates, Office for National Statistics Denominator: 2011 Area hectares	Number of people per hectare
	2	Households with dependent children	All ages	% of total households	2011	2011 Census, Office for National Statistics, Table: KS105EW Economic Activity Denominator: 2011 Census total households	Percentage of households, who on Census day, had dependent children
	3	Working-age population	Aged 16 to 64 years	% of total population	2017	2017 Mid-Year Estimates, Office for National Statistics Denominator: 2017 Mid-Year Estimates (ONS)	Percentage of total population aged between 16 to 64 years
	4	Total dependency ratio (0-15 yrs + 65yrs & over)/16-64 yrs	All ages		2017	2017 Mid-Year Estimates, Office for National Statistics Denominator: 2017 Mid-Year Estimates (ONS)	The total dependency ratio is used to monitor changes in population structure. It is an approximation of the ratio between the number of dependents – children aged 0 to 15 and older people aged 65 or over- compared to the working-age population aged 16-64 years. This ratio provides an insight into the potential future financial costs of the economically active population to support the economically inactive population.
	5	Ethnic minority population (all groups except White British)	All ages	% of total population	2011	2011 Census, Office for National Statistics, Table: KS201EW Ethnic Group Denominator: 2011 Census total population	The number of people belonging to a black and minority ethnic (BME) group expressed as a percentage of the total population. This includes all usual residents who did not consider themselves to be White which includes English, Welsh, Scottish, Northern Irish, and British. Each person filling in a census form made a subjective assessment about their ethnicity.
	6	No passport	All ages	% of total population	2011	2011 Census, Office for National Statistics, Table: QS212EW Passports Held Denominator: 2011 Census total population	Percentage of population, who on Census day, did not have a passport
	7	Lone parent households	Dependent child aged 0-15 years, or 16-18 years if in full-time education	% of households	2011	2011 Census, Office for National Statistics, Table: KS106EW Household Composition Denominator: 2011 Census total households	The number of lone parent households with dependent children is expressed as a percentage of all households. A lone parent household is a household that is made up of a lone parent family and no other person. A lone parent family is defined as a father or mother with his or her children where the parent does not have a spouse or partner in the household and the children do not have a spouse or partner. A lone grandparent with his or her grandchildren is also considered a lone parent family if they do not live with the parents of the grandchildren. A dependent child is someone aged 0-15, a dependent child can also be 16-18 years of age if in full-time education.
	8	Lone pensioner households	Aged 65 years and over	% of households	2011	2011 Census, Office for National Statistics, Table: KS106EW Household Composition Denominator: 2011 Census total households	Percentage of all households where the household member is of pensionable age (65 or over) and lives alone. Please note the definition of 'pensionable age' has changed since the last Census in 2001. Previously pensionable age was considered to be 60 and over for females and 65 and over for males
Housing	9	Owner-occupied households		% of households	2011	2011 Census, Office for National Statistics, Table: KS402EW Tenure Denominator: 2011 Census total households	The number of households living in owner-occupied accommodation expressed as a percentage of all households. This includes accommodation that is owned outright, owned with a mortgage or loan, or shared ownership (paying rent and part mortgage).
	10	Rented from Council or Housing Association		% of total households	2011	2011 Census, Office for National Statistics, Table: KS402EW Tenure Denominator: 2011 Census total households	The number of households living in social rented housing expressed as a percentage of all households. Social housing includes accommodation that is rented from a council, housing association or co-operative, charitable trust, non-profit housing company or registered social landlord.

	No.	Indicator Name	Age Group	Scale	Period	Source	Description
Housing (cont)	11	Detached housing		% of total households	2011	2011 Census Office for National Statistics Denominator: 2011 Census total households	The number of detached households out of all households
	12	Average household size		Average number of residents per household	2011	2011 Census Office for National Statistics Denominator: 2011 Census total households	The total number of residents in the total number of households
	13	Council tax band D & above		% of dwellings	2016	District Council's Council Tax Band data extract Denominator: 2016 total dwellings	% of domestic properties (the 'dwelling stock') allocated to Council Tax bands D, E, F, G & H. Note: geography has been assigned based on postcode centroid rather than authorising authority
	14	Housing benefit		% of total households	Aug-18	Department for Work and Pensions Denominator: 2011 Census total households	Percentage of households claiming housing benefit in Aug 18
	15	No cars or vans in household		% of total households	2011	Census 2011 Denominator: 2011 Census total households	The percentage of inhabited households with no cars or vans at the time of the 2011 Census
	16	Median house price £		Median £	2017	Land Registry Linked Open Data, Price Paid dataset © Crown Copyright	Median Monthly residential property sales in England and Wales that are lodged with the Land Registry. © Crown copyright 2017
	17	EPC rating D or above		% of certificates rated D or above	2017	Department of Communities and Local Government Denominator: Number of EPC certificates	Percentage of energy performance certificates that are rated D or above in each sub cluster.
People & Place	18	Proud of Derbyshire	Aged 16 years and over	% of respondents	2017	Citizens' Panel, Commissioning, Communities & Policy Department, Derbyshire County Council Denominator: Citizens' Panel respondents	Percentage of respondents to the DCC 2017 Citizens' Panel Survey who strongly agreed or agreed with the statement 'I am proud of Derbyshire'
