Weekly earnings by District

Average weekly earnings of a full-time worker since 2012 (£)

Despite a gradual growth in earnings since 2012, the average weekly wage in Derbyshire remains below that of England. Residents in Derbyshire earn 4% less than the national average and those employed by a Derbyshire business earn 8% less. This reflects the lower skilled employment structure of the county and the travel by some residents out of Derbyshire to work to secure higher wages.
