## Earnings by District

## Average weekly earnings of a full-time worker since 2009 (£)

Despite a gradual growth in the level of earnings since 2009, the average weekly wage in Derbyshire remains below that for England. Residents in Derbyshire earn 5% less than the national average and those employed by a Derbyshire business earn 12% less. This reflects the lower skilled employment structure of the county and the travel by some residents out of Derbyshire to work to secure higher wages.
