

Derbyshire Budget Consultation Online Focus Groups November/December 2021

33 residents took part in **5** online focus groups

16 of those taking part were male and 17 female

The average age of those attending was **63** years, the youngest person was **32** and the oldest **88**

£ What does 'Value for Money' mean?

Generally people agreed it was difficult to judge value for money, they felt it would be useful to be given additional information to make value judgements including:

Budget information

Services provided

👍 What influences levels of satisfaction?

⚖️ Why are services selected as priorities?

The top 3 priorities from the survey are:

Highway services

Waste & recycling centres

Environmental policy inc. flooding & climate change

Why?

- We all use roads in some way
- We all need to consider our actions on the planet
- We all produce waste

Priorities may vary depending on:

- How people are answering the survey
- Lack of understanding of services/information
- Respondents personal agenda
