households

# 2018 Area Summary Profile

## Buxton West Electoral Division

The chart below compares a range of indicators for Derbyshire. The local result for each indicator is shown as a circle against the range of results for the chosen local geography within Derbyshire's administrative boundary. The latest available figures have been used for all indicators and the significance for the results are shown by different colours as detailed below. The rank shows the position of the local geography in comparison with the other areas and a rank of 1 shows the most deprived of areas or the highest rate in indicators such as Pupils with a statement of SEN or EHC, a Rank Quilt is also available which shows the rank position of the chosen local geography across the range of indicators included below.

- Significantly worse than Derbyshire average
- Not significantly different from Derbyshire average
- Significantly better than Derbyshire average
- No significance can be calculated

Indicator	Local No.	Local Rate	Local Rank	Derbyshire	England	County Worst	Derbyshire Range (based on 2013 Electoral Divisions)		County Best
