

No.	Indicator Name	Age Group	Scale	Period	Source	Description	
People & Place	1	Percentage of households deprived in 2 or more dimensions of deprivation				<p>Percentage of households, who on Census day, were deprived in two or more dimensions of deprivation</p> <p>Dimensions of deprivation include:            Employment - Where any member of the household who is not a full-time student is either unemployed or long-term sick</p> <p>Education - Where no member of the household has at least a level 2 qualification, and no member of the household aged 16 to 18 is a full-time student</p> <p>Health and disability - If any member of the household has 'bad or very bad' general health or has a long term health problem that defines them as disabled in line with the Equality Act (2010).</p> <p>Housing - The household's accommodation is either overcrowded (with an occupancy rating -1 or less), is in a shared dwelling, or has no central heating</p>	
	2	Percentage of children in poverty	Under 20 Years	% of children	2021/22	<p>Stat-Xplore - Children in Low Income Families</p> <p>Denominator: Total number of children in the area aged under 20 years</p>	Percentage of children living in families whose reported income is less than 60% of contemporary median income, divided by the total number of children in the area (determined by Child Benefit data). This is known as the 'relative' low income measure of child poverty.
	3	Percentage of primary and secondary pupils eligible for and claiming Free School Meals (FSM)	Compulsory school age	% of primary and secondary pupils	January 2023	<p>Children's Services Department, Derbyshire County Council</p> <p>Denominator: Resident pupils of school age</p>	Percentage of primary and secondary pupils eligible for and claiming Free School Meals (FSM).  This is the number of children at school who are eligible to receive Free School Meals (FSM) and are claiming it. Data for Derbyshire and lower level geographies is based on where the pupil lives (residence based) and relates to Derbyshire pupils at Derbyshire schools. England data is based on where the pupil is at school (institution base) so care should be taken in making comparisons.
	4	Percentage of pupils with statements of Special Educational Needs (SEN) or Education, Health and Care plan (EHC)	Compulsory school age	% of primary and secondary pupils	January 2023	<p>Children's Services Department, Derbyshire County Council</p> <p>Denominator: Resident pupils of school age</p>	Percentage of primary and secondary pupils with a statement of special education needs and disabilities (SEND) which can include Special Educational Needs (SEN) support in school such as speech therapy or an Education, Health and Care plan (EHC) which is a plan of care for children and young people from birth up to 25 years with more complex needs, however, these data are for primary and secondary pupils only.
	5	Children identified as being 'In Need' per 10,000 population aged 0 to 18 years	Under 18 years	per 10,000 0-18 years population	2022/23	<p>Children's Services Department, Derbyshire County Council</p> <p>Denominator: 2020 Mid-Year Population Estimates (OA) 2021 Mid-Year Population Estimates (Districts and above) (ONS)*</p>	The number of children in need per 10,000 population aged under 18 years. Children in need are defined in law as children who are aged under 18 and: need local authority services to achieve or maintain a reasonable standard of health or development and/or need local authority services to prevent significant or further harm to health or development. Children in need include those children in care or those with a child protection order.
	6	Residents who are satisfied with their local area as a place to live	16 years and over	% of 2023 Your Council Your Voice Pulse Survey respondents	July 2023	<p>Your Council Your Voice (YCV) Pulse Survey, Strategy and Policy, Derbyshire County Council</p> <p>Denominator: 2023 Your Council Your Voice Pulse Survey respondents</p>	The number of respondents who are very or fairly satisfied with their local area, expressed as a percentage of all respondents who have answered the question. Don't knows are excluded from the denominator.

People & Place	7	Percentage of Derbyshire residents who are registered Derbyshire library users	All ages	% of total population	2nd August 2022 to 2nd August 2023	Libraries and Heritage, Place Department, Derbyshire County Council  Denominator: 2020 Mid-Year Population Estimates (OA) 2021 Mid-Year Population Estimates (Districts and above) (ONS)*	Percentage of Derbyshire residents who are registered Derbyshire library users. This includes any active, e-audio book, e-book, e-magazine and net-loan users.	
	Housing	8	Median house price based on residential sales		Median £	2022	Land Registry Linked Open Data, Price Paid dataset © Crown Copyright, 2023	Median monthly price of residential property sales in England & Wales that are lodged with the Land Registry between January and December 2022. © Crown Copyright 2023
		9	Percentage of domestic properties allocated to Council Tax bands D, E, F, G & H as a percentage of all properties		% of dwellings	2022/23	2023 properties by Council Tax band and administrative area, 1993 to 2023 (CTSOP1.1), Valuation Office Agency (VOA), www.gov.uk © Crown Copyright, June 2023  Denominator: Total Properties	Council Tax valuations are based on the value of properties that are not used for business purposes. The value is based on the price the property would have sold for on the open market on 1 April 1991 in England.  All properties are banded on the same basis, including properties bought under discount schemes, such as Right to Buy. The purchase price discounts applied to these properties are not taken into account when setting the band.  Council Tax Band D starts at £68,001 and rises to Band H which is properties valued at more than £320,000.
10	Percentage of households in fuel poverty		% of households	2021	2021 Sub Regional Fuel Poverty, Department for Energy Security and Net Zero, April 2023  Denominator: Total number of households	Fuel poverty in England is measured using the Low Income Low Energy Efficiency (LILEE) fuel poverty metric, which was set out in the Fuel Poverty Sustainable Warmth strategy published in February 2021. The LILEE indicator considers a household to be fuel poor if it is living in a property with an energy efficiency rating of band D, E, F or G or its disposable income (income after housing costs (AHC) and energy needs) would be below the poverty line.		
Community Safety	11	All road traffic casualties per 1,000 population	All ages	per 1,000 population	01/06/2016-31/05/2023	Place Department, Derbyshire County Council  Denominator: 2020 Mid-Year Population Estimates (OA) 2021 Mid-Year Population Estimates (Districts and above) (ONS)	Rate of all road traffic casualties occurring on Derbyshire's road network	
	12	Anti-social behaviour (ASB) (calls for service) per 1,000 population	All ages	per 1,000 population	2022/23	Derbyshire Constabulary Command and Control System  Denominator: 2020 Mid-Year Population Estimates (OA) 2021 Mid-Year Population Estimates (Districts and above) (ONS)	Rate of calls relating to ASB cover many types of actions, from low-level persistent nuisance to serious public disturbance	
	13	Violent crime per 1,000 population	All ages	per 1,000 population	2022/23	Derbyshire Constabulary Command and Control System  Denominator: 2020 Mid-Year Population Estimates (OA) 2021 Mid-Year Population Estimates (Districts and above) (ONS)	Rate of police recorded violent crime (including Violence with injury and Violence without injury) per 1,000 population	

No.	Indicator Name	Age Group	Scale	Period	Source	Description	
14	Total crime per 1,000 population	All ages	per 1,000 population	2022/23	Derbyshire Constabulary Command and Control System  Denominator: 2020 Mid-Year Population Estimates (OA) and 2021 Mid-Year Population Estimates (Districts and above) (ONS)*	Rate of all police recorded crimes including fraud per 1,000 total population	
No.	Indicator Name	Age Group	Scale	Period	Source	Description	
Community Safety	15	Percentage of residents who agree that Derbyshire is a safe place to live	16 years and over	% of 2023 Your Council Your Voice Pulse Survey respondents	July 2023	Your Council Your Voice (YCVV) Pulse Survey, Strategy and Policy, Derbyshire County Council  Denominator: 2023 Your Council Your Voice Pulse Survey respondents	Percentage of respondents to 2023 Your Council Your Voice Pulse Survey who strongly agreed or agreed with the statement 'Derbyshire is a safe place to live'.
	16	Percentage of population aged 16 years and over who are in employment	16+ years	% 16+ population	March 2021	2021 Census (ONS)*, Table: TS066 Economic Activity Status Denominator: Population aged 16+.	Percentage of those who were in employment in the week before the Census. Employment includes employee jobs or self employment. Full-time students who were in employment are also included in the figures
Economy	17	Percentage of the 16 years and over population who are economically inactive	16+ years	% 16+ population	March 2021	2021 Census (ONS)*, Table: TS066 Economic Activity Status Denominator: Population aged 16+	Percentage of those who were not in employment, seeking employment in the three week period before the Census or could not start work within two weeks
	18	Percentage of the population aged 16 to 64 who are unemployed	16 to 64 years	% of working age population (16-64 years)	June 2023	NOMIS, July 2023  Denominator: 2020 Mid-Year Population Estimates (LSOA) and 2021 Mid-Year Population Estimates (Districts and above) (ONS)	Percentage of the population aged 16 to 64 claiming unemployment related benefits (Universal Credit and Jobseeker's Allowance). Population estimates for 2020 have been used to calculate the working age population at ED level as mid-year estimates for small areas are not available yet. Mid year estimates for 2021 have been used for districts and above.  Please note that the numerator source data used for the lower geographies has been rounded to the nearest 5 for each Lower Super Output Area, so when aggregated the totals do not match the district or county level figures as these are actual numbers and are not subject to suppression. Denominators are aggregated up from Lower Super Output Area level.
	19	Youth unemployment	16 to 24 years	% of 16 to 24 population	June 2023	NOMIS, July 2023  Denominator: 2020 Mid-Year Population Estimates (LSOA) and 2021 Mid-Year Population Estimates (Districts and above) (ONS)	Percentage of the population aged 16 to 24 claiming unemployment related benefits (Universal Credit and Jobseeker's Allowance). Population estimates for 2020 have been used to calculate the 16-24 age population at ED level as mid-year estimates for small areas are not available yet. Mid year estimates for 2021 have been used for districts and above.  Please note that the numerator source data used for the lower geographies has been rounded to the nearest 5 for each Lower Super Output Area, so when aggregated the totals do not match the district or county level figures as these are actual numbers and are not subject to suppression. Denominators are aggregated up from Lower Super Output Area level.
20	Percentage of adults with a degree	16 years and over	% of 16+ population	March 2021	2021 Census (ONS)*, Table: TS067 Highest Level of Qualification  Denominator: Total 16+ population	Percentage population aged 16 and over whose highest level of academic or professional qualifications is level 4 or above  Please note level 4+ includes: Degree, Higher Degree, NVQ Level 4-5, HNC, HND, RSA Higher Diploma, BTEC Higher level, Foundation degree (NI), or professional qualifications (for example, teaching, nursing, accountancy).

Education	21	Percentage of adults with no qualifications	16 years and over	% of 16+ population	March 2021	2021 Census (ONS)*, Table: TS067 Highest Level of Qualification Denominator: Total 16+ population	Percentage of population aged 16 and over who have no academic, vocational or professional qualifications
	22	Average attainment 8 score per pupil at Key Stage 4	Key Stage 4 Pupils	Average score per pupil	2021/22	Children's Services Department, Derbyshire County Council, and Local Authority Interactive Tool (LAIT)  Denominator: Number of Key Stage 4 pupils taking the exams	Attainment 8 measures the average achievement of Key Stage 4 pupils in up to 8 qualifications, the higher the average score the better the pupil, school or area has done. Key Stage 4 comprises years 10 and 11, where children are working towards GCSEs.  The 8 qualifications include English (double weighted if the combined English qualification, or both language and literature are taken), maths (double weighted), three further qualifications that count in the English Baccalaureate (EBacc) and three further qualifications that can be GCSE qualifications (including EBacc subjects) or any other non-GCSE qualifications on the Department for Education approved list.
No.	Indicator Name	Age Group	Scale	Period	Source	Description	
Education	23	Percentage of Key Stage 2 pupils achieving expected or above progress in reading, writing and maths	Key Stage 2 Pupils	% of Key Stage 2 pupils	2021/22	Children's Services Department, Derbyshire County Council, and Local Authority Interactive Tool (LAIT) Denominator: Number of Key Stage 2 pupils being assessed	Percentage of Key Stage 2 pupils achieving expected or above progress in reading, writing and maths. Key Stage 2 covers pupils in years 3 to 6 (aged 7 to 11 years), this measure is taken in Year 6.
	24	Percentage of pupils achieving a good level of development at the Early Year Foundation Stage (EYFS)	4 to 5 years	% of Early Years Foundation Stage pupils	2021/22	Children's Services Department, Derbyshire County Council, and Local Authority Interactive Tool (LAIT)  Denominator: Number of early years pupils	Percentage of Early Years Foundation Stage (EYFS) pupils achieving a Good Level of Development (GLD)  Children achieving a good level of development are those achieving at least the expected level within the following areas of learning: communication and language; physical development; personal, social and emotional development; literacy; and mathematics
	25	Percentage of pupil with persistent secondary school absenteeism	Compulsory school age cohort secondary	% of secondary pupils missing 10% or more of available sessions	2022	Children's Services Department, Derbyshire County Council, and Local Authority Interactive Tool (LAIT) Denominator: Number of secondary school pupils	Percentage of secondary school pupils who are persistently absent from school, missing 10% or more of their individual annual available sessions
	26	Percentage of persistent primary school absenteeism	Compulsory school age cohort primary	% of primary pupils missing 10% or more of available sessions	2022	Children's Services Department, Derbyshire County Council Denominator: Number of primary school pupils	Percentage of primary school pupils who are persistently absent from school, missing 10% or more of their individual annual available sessions
27	Life expectancy at birth - Males	At birth	Years	2020-2022 (Pooled)	DCC Public Health and Office for Health Improvement and Disparities Fingertips tool  Denominator: Populations are based on the 2020 Mid-Year Population Estimates (ONS), multiplied by 3 years	The estimated average number of years of life a new born male baby can expect to live, based on current mortality rates for the area in which they are born. Derbyshire and below data is for 2020-22 and from DCC Public Health. England data is for 2021 from the Office for Health Improvement and Disparities Fingertips tool so care should be taken in making comparisons. However, it is also possible to get a Derbyshire figure for 2021 from Fingertips, which is 78.5.	
28	Life expectancy at birth - Females	At birth	Years	2020-2022 (Pooled)	DCC Public Health and Office for Health Improvement and Disparities Fingertips tool  Denominator: Populations are based on the 2020 Mid-Year Population Estimates (ONS), multiplied by 3 years	The estimated average number of years of life a new born female baby can expect to live, based on current mortality rates for the area in which they are born. Derbyshire and below data is for 2020-22 and from DCC Public Health. England data is for 2021 from the Office for Health Improvement and Disparities Fingertips tool so care should be taken in making comparisons. However, it is also possible to get a Derbyshire figure for 2021 from Fingertips, which is 82.3.
